Cambay PSC and Board Changes

The Board of Synergia Energy Limited (**Synergia** or the **Company**) announces the following update regarding its Cambay PSC (50% WI) in India and Board structure update.

Cambay PSC Update

Oil production for April 2026 averaged 148 bopd primarily from two wells (C-64 and C-74) that were worked over in October 2025. Gas production for the month averaged 39 MCF/day from the C-77H well.

The Company is in discussion with its joint venture partner, Antelopus Selan Energy Ltd ("Selan") regarding the proposed new well (C-79) to be drilled later this year into the Eocene formation.

Board Changes

Mark Bolton, Non-Executive Director, is stepping down from the Synergia Board of Directors after several years of valuable service. Mark will continue to assist the Company under an advisory contract. The Company will look to appoint Stacey Britza, Synergia's Assistant Secretary, as a Non-Executive Director, and a further announcement will be made in due course following her appointment.

Roland Wessel, Chief Executive Officer said:

"Mark Bolton has helped steer the Company through challenging years and we are grateful for his contribution and wish him every success for the future."

This announcement contains inside information for the purposes of Article 7 of the Market Abuse Regulation (EU) 596/2014 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 ("MAR") and is disclosed in accordance with the Company's obligations under Article 17 of MAR.
